# WHAT'S THE BUZZ

## A Message From the New 32nd Ward Alderman Scott Waguespack

As summer begins, a sense of newness has taken over the city and in the 32nd Ward the mood is exceptionally strong. As a newly elected official, I am excited to announce that I have moved my offices to a brand new space at 2657 North Clybourn Avenue. As I move forward with the design and building of the space, it is my hope that the new 32nd Ward office will become a cornerstone of the community.

I am also excited to announce that I have been assigned to five committees. I will be joining the committees

on Education, Housing and Real Estate, Human Relations, Rules and Ethics, and Special and Cultural Events.

Over the summer, I plan on being very active in the community and I look forward to meeting with all my friends and neighbors in the 32nd ward. If there is anything I can help you with please feel free to contact me at 32ndward@gmail.com or by phone at (773) 248-1330.

Sincerely,  
Scott Waguespack  
Alderman, 32nd Ward

## FROM THE DIRECTORS

### 1609 Belmont Avenue: Where It All Happens

We get a lot of questions in our office, everything from, "how do I get a parking pass" to "I am thinking of opening a sandwich shop. What do I need to do?" But the question we get the most is, "What does the Chamber do?" which is often code for what can the Chamber do for me.

In ten words or less, a chamber of commerce is in business for business. This translates directly to the beginning of our mission statement; the Lakeview Chamber of Commerce is organized so that its business community will prosper. Behind

this statement comes a series of services, including networking to foster business to business relationships. Promotions and events to drive consumer awareness. Close relationships with elected officials to cultivate business advocacy in government and policy. Focus on economic development which ensures the constant evolution of an already vibrant community. These high level ideas only skim the surface of what we do for our members. If you dig deeper into each, you will find that we are working diligently to be in

business for business. Whether it be working on Streetscape, the Brown Line Expansion, or just trying to find the next big idea, everything we do is for our members.

That being said, if you are curious to find out what we are up to, don't hesitate to stop by or call us. And if you think you have the next big idea or know of something that we could be doing better, please let us know.

In the mean time, we will keep advocating for you and your business.

# NEWS FROM BELMONT

## Art in the 44th Ward!

During the week of June 18th, six new sculptures were installed in the 44th Ward as part of the Lincoln Park / Lakeview Community Art Initiative. Alderman Tunney has partnered with 43rd Ward Alderman Vi Daley's annual sculpture program to bring mid to large size sculptures to our community.

Below is a list of the pieces, artists, locations, and sponsors. The sculptures will be in place for one year.

**Ring Toss**, by Pat McDonald, located at Wellington/Lake Shore, and sponsored by St. Joseph Hospital. **Row Your Boat**,

by Shencheng Xu, located at Barry / Lake Shore, and sponsored by Ald. Tom Tunney. **Crane**, by Terry Karpowicz, located at Inter-American School-851 Waveland, and sponsored by Central LakeView Merchants. **Wish Bone**, by John Adducci, located at Blaine School-3800 Southport, and sponsored by the Chicago Cubs. **Clean Up**, by Ted Garner, located at 3649 Sheffield Ave., and sponsored by Murphy's Bleachers. **Emergence # 17**, by Eric Stephenson, located at Broadway & Roscoe, and sponsored by LakeView East Chamber.

Lincoln Park / Lakeview Community

Art Initiative is an annual juried competition where artists from the Chicago area compete to have their sculptures displayed throughout the 43rd and 44th Wards. Vi Daley launched the first ward-wide public sculpture program in 2001 to support local artists and beautify the community.

"We are thrilled to partner with our neighbors to enhance this unique sculpture program and we look forward to the presence of these sculptures in our own neighborhood," said Alderman Tunney.
